*Mailing and e-mail addresses provided will be used for business-related communications from Nikkei Business Publications. It may also be used for Nikkei Business Publications and Nikkei BP Group companies to send you various notices (of publications, exhibitions, seminars, etc.) and questionnaires or information and announcements on products and services of the exhibitors and advertisers.

*In order to save the need of registering and presenting your business card at each booth, a barcode system is adopted on visitor badges. Please note that the bar-code reader scans the bar code on your badge, Nikkei Business Publications will pass the information provided to the exhibitor. After that, each of the exhibitors will take responsible for handling it.
